Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Aspan Well Treatment and Rehabilitation** in fiscal year 2023.

The entity to receive funding for this project is the **City of Azusa**, located at **213 E. Foothill Blvd., Azusa, CA 91702**.

The funding would be used for the rehabilitation of the inactive Aspan Well located within the City of Azusa. This project will consist of designing and constructing treatment facilities and well modifications to facilitate reactivating the well. Drought conditions continue to persist throughout California, and this project provides another critical source of water for the City and its approximately 50,000 residents. The project will satisfy approximately 15% of the current water system demand, and water will be directly treated and delivered to City residents. The project will allow Azusa Light and Water (ALW) to reduce its reliance on imported water supplies during periods of drought and emergency.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace F. Napolitano
